Accredited Water Samples Analysis Test Results for Legionella Test

To: All Accredited Testing Laboratories

Greetings from Emirates International Accreditation Centre (EIAC)

In reference to Dubai Municipality's request and in order to achieve the strategic goals of ensuring safety and public health with regards to control of Legionella bacteria in water systems in Emirate of Dubai.

Please be informed that all accredited testing laboratories must provide the results of water samples analysis of Legionella bacteria to the following authorized coordinators emails and stop sending reports to any other unauthorized emails:

Name	Email Address	Contact Number
Mr. Mohamed Abdulla AlMarzooqi	MOAMARZOOQI@dm.gov.ae	050/ 3987222
Ms. Asma AlHaddad	AAHADDAD@dm.gov.ae	055/ 5443626

If you have any queries related to this subject, please contact Mrs. Majeda Al Harmoodi, Majeda.AlHarmoodi@eiac.gov.ae, 04 872 2607

Best Regards,

Qasim Humoud Al Shamsi

On behalf of the Director of Laboratory Accreditation Department
